1. This is the day I am doing something new, cherished will be, to be, precious and lovely. I love you my mine field, not; mind field of loveliness, my words sprouting bushes and flora fauna; and beautiful tree stumps, not; trees of righteousness, plantings of the lord now sprouting righteousness branches to far and wide/many. I love you.

2. See what I have said in plantings not many, just; but multitudinous multitudes coming now forth to see, hear, feel, and become me that which I am/surrendered to. I love you all, coming and non. I love you all.

3. This day I something new do. I am doing new things and today I announce further my intentions to further my kingdom not in tradition/traditional means, but non traditional, my kingdom new and everlastingly creating/creative. I love you.

4. I announce my plan, not; but intention not only, plan and intention and all is done already, not; but coming forth in glorious glory, my body regaled for her bride, the bride, the bridegroom ready. I love you all. Who can see/be there, be here, all places I am? I love you. The marriage feast ready and who are called? The busy, the lame, worn out; not; who can hear not my voice/clarion call. But all are called. All are ready/expecting, not; but many are/will be, and doing not about father's business, will become so. I love you.

5. This is the day/moment and who can see the trail of tears not; tears getting, providing, maturity coming into, hours, prayers, surrenderings of surrender never ending, bringing, leading to this moment/time here in London not; London all and whoso where else? See me smothered not; but coming forth one'd and breathing air/me, first time, not; long time ago did. Atmospheric pressure zero not; one. Mine alone. I love you.

6. This is the time and day/hour and whoso can see son of man arising in wings/Godship? You alone not but many who now see the error/casting of their ways/words that incarcerating and freeing now themselves throughout what freedom is, freedom shows, freedom frees now others coming into/throughout freedomland to be freedomland. I love you all. Amen.

7. **Go in peace, and not purpose. I lead every step/thought given to me.** Amen. **Now rest in me/my thoughts/peace.**
